

A SCHOOL FUNDRAISING COLLABORATION

DANCE FOR DIABETES

2026

Diabetes Research & Wellness Foundation

Imagine if your pupils could help fund a new sensory garden, library books or new art equipment... simply by dancing.

Raising funds for schools is tough which is why we created **Dance for Diabetes**. It's a simple initiative that requires no extra planning, engages every child, and generates unbudgeted and **unrestricted funds** for your school.

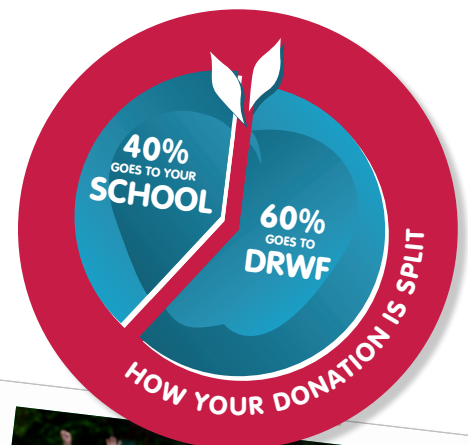

Here's how it works:

- ✓ Pupils learn a short, inclusive dance, beginning in April (Summer Term), and come together for a school-wide performance (Week commencing Monday 18 May 2026).
- ✓ Parents and families sponsor the children, and your school keeps 40p of every £1 they raise.
- ✓ Designed to fit into your existing schedule, it's perfect for PE, Wake & Shake, or end-of-day fun.
- ✓ **Everything is provided**, including a simple ready-to-go dance resource, educational content and classroom-ready packs containing all materials, delivered to your school.

In just four years, the results speak for themselves:

- ✓ Over £75,000 raised.
- ✓ £30,000+ given back to schools.
- ✓ Hundreds of pupils learning, moving, and having fun!

Don't miss out! Visit www.drwf.org.uk/dance-for-diabetes or scan the QR code to sign up and help us change the future of diabetes, one school at a time.

DANCE FOR DIABETES

OUR STORY SO FAR

We launched a pilot in 2022 with the sole aim of educating, promoting fun, encouraging physical activity, and raising funds for both DRWF and the participating schools.

Since 2022, we've given back over £30,000 to participating schools — unrestricted funds they've been free to spend on whatever matters most to them. With our unique promise, your school keeps 40p of every £1 raised.

1,645 Pupils took part

2022

“ Taking part in the Dance for Diabetes fundraiser was an incredible experience for our whole school community. From Year R to Year 6, every child got involved – and loved every minute of it! The event was brilliantly organised with all resources provided, making it easy and flexible for staff to get on board. It was fantastic to see every member of staff taking part and parents coming along to cheer the children on. Most importantly, it was great fun and brought the whole school together for a fantastic cause. We were thrilled to raise thousands of pounds – a huge success all round!
