REMEMBER BY PLAYING THE LOTTERY YOU ARE DIRECTLY SUPPORTING DRWF

Playing our lottery is great fun, but even more importantly, every £1 play results in 50p to DRWF. Wouldn't it be a dream come true to win a great prize and know that together we are investing in a brighter future for people with diabetes?

Don't wait, play today!

Your support means that we can continue raising awareness to diabetes and providing the educational support programmes that mean people with diabetes are living well, until the research we fund finds a cure.

Support our cause and win up to £25,000 with unity

Every week you have the chance to win the £25,000 Unity jackpot plus many other fantastic cash prizes, and at the same time you're helping us raise funds to support our work. The more people play the more money we receive, so we need your support. For every £1 entry - at least 50p comes directly to us as profit.

HOW IT WORKS

The draw takes place every Friday and each entry costs just £1. When you join our lottery you're allocated your own 6-digit Unity lottery number. A random winning number is drawn - the aim is to match the winning number.

IF YOU MATCH...

6 digits you'll win **£25,000**

5 digits you'll win **£1,000**

4 digits you'll win **£25**

3 digits you'll win **5 Entries into the Next Draw**

A match occurs if your digits are in the same place in the sequence as they are in the winning number...

EXAMPLE

325764 - random winning number

326574 - your lottery number

[This is a 3-number match, winning 5 entries into the next draw]

All winners are notified by post or email; cash prizes are paid by cheque or direct credit and prize entries entered automatically into the next draw, so you can't miss out!

- 2 Choose your number of lottery entries and how often you wish to pay.
